

# Edwin Ng, Park Place Unit

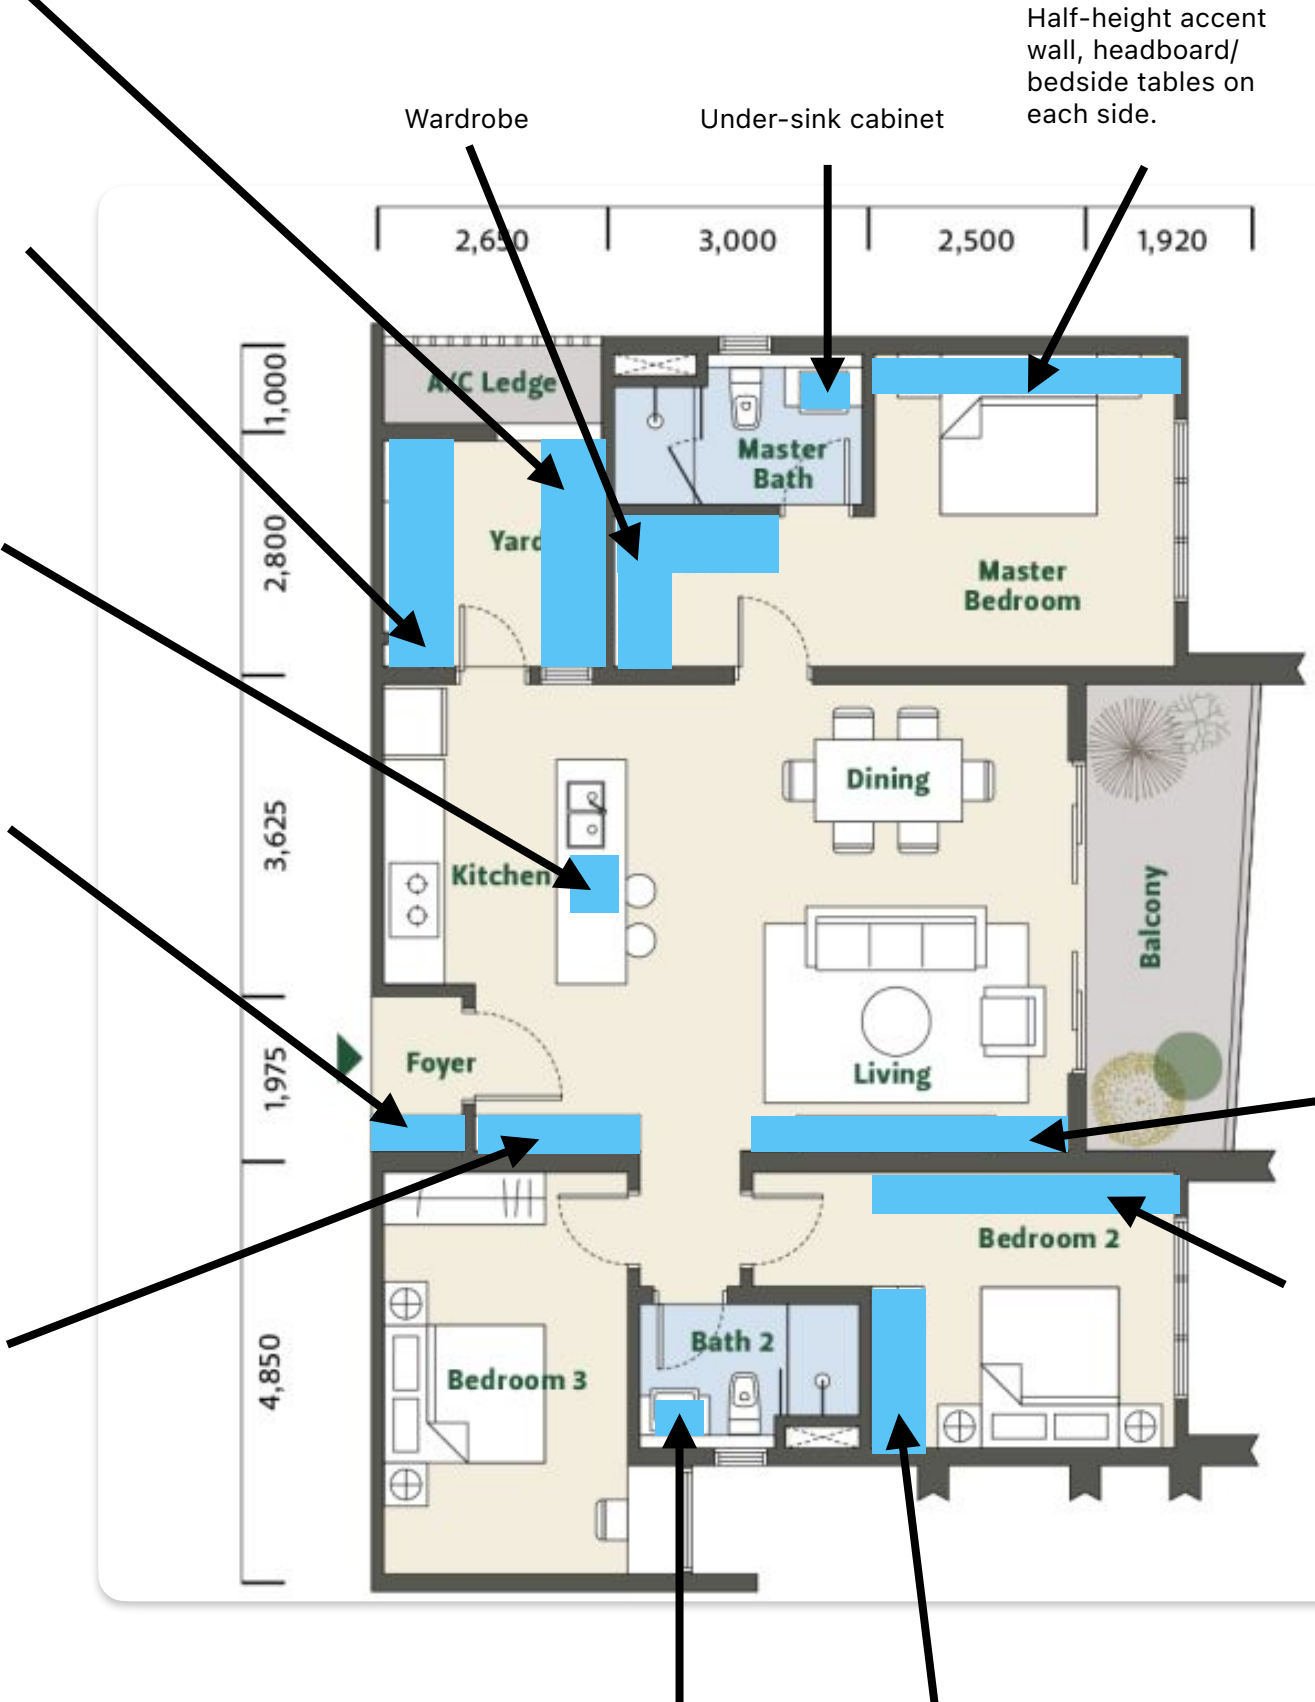

Food prep area with two induction cooktops with cabinets above and below counter top.

Washer, dryer, and one-basin sink. Washer and dryer can be stacked if need be. Cabinets above (and below if room).

Dishwasher installation. This will entail moving built-in drawers, or instead doing plumbing to the other end of counter.

Shoe cabinet with built in bench and storage units above and below.

Foyer cabinet, mostly enclosed, but open shelf area for access to switches and phone, plus room for keys, etc.

Half-height accent wall, headboard/bedside tables on each side.

Wardrobe

Under-sink cabinet

TV cabinet/accent wall. Symmetry is an important consideration.

Narrow floor to ceiling cabinet with cutout at far right for desk and chair.
